Dads and Diapers
How to change a diaper
Spread the diaper in the position of the diamond with you at bat. Then fold second base down to home and set the baby on the pitcher's mound. Put first base and third base together, bring up home plate and pin the three together. Of course, in case of rain, you gotta call the game and start all over again.
-Jimmy Piersall 1968
(For the young Dads-this describes a cloth diaper)
