August 2010

Farewell to Summer:

We hope that everyone has been enjoying a happy and safe summer here at LVL. Please remember to follow all rules and regulations. Your cooperation is greatly appreciated and makes for a safe neighborhood for all. For information regarding LVL's rules and regulations and upcoming events, check out web site at www.lvpoa.com and/or flyers throughout the community. There are many activities planned this month and for the rest of 2010. It is your community, so come out and meet your neighbors and have some great fun! Also, if you have any info or ideas for activities, please leave a note with ideas and your contact info at the POA office. Thanks and enjoy the rest of your summer!

Life's Lessons:
