JUNE 2010

LET'S ALL FLY
OUR FLAGS
THIS DAY

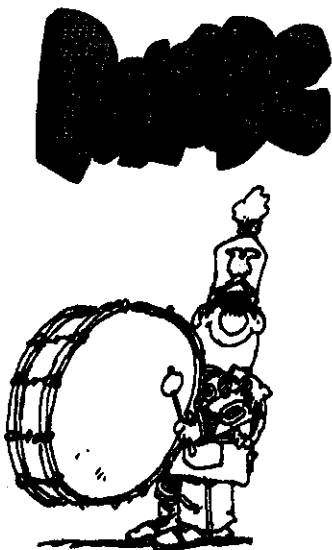

FLAG DAY - JUNE 14

In the United States, Flag Day is celebrated on June 14. It commemorates the adoption of the flag of the United States, which happened that day by resolution of the Second Continental Congress in 1777.

In 1916, President Woodrow Wilson issued a proclamation that officially established June 14 as Flag Day; in August 1949, National Flag Day was established by an Act of Congress.

Flag Day is not an official federal holiday, though on June 14, 1937, Pennsylvania became the first (and only) U.S. state to celebrate Flag Day as a state holiday.

The largest Flag Day parade is held annually in Troy, New York. Framingham, Massachusetts also holds a yearly Flag Day parade, as do many other towns and cities, although in recent years a shrinking turnout has prompted the town to consider eliminating the event.
